

Faithful/Connected/Proud

Interfaith Pride Worship

(AND GLITTER BLESSING!)

THURSDAY JUNE 2ND 7PM
FIRST BAPTIST CHURCH, SLC

On behalf of the Utah Pride Interfaith Coalition:

We hope this email finds you and your community well in the midst of these times. We are pleased to share and invite you to join us on Thursday June 2nd for an interfaith celebration during Pride week 2022. This year's service will welcome queer voices from across the religious spectrum in a night dedicated to affirming that queer folk have always been faithful to the Sacred, connected to community and proud to be on the forefront of inclusivity and love for all people, everywhere, no matter what.

Date: Thursday June 2, 2022

Location: First Baptist Church

777 S 1300 E, Salt Lake City, UT 84102

Time: 7pm worship

Our keynote speaker, Tyler Marz, is a Minister and Elder with Community of Christ, post-Mormon, and lover of baked goods. Tyler has a Master of Arts in Religion and is currently pursuing a Doctor of Ministry program with San Francisco Theological Seminary. He finds spirituality in everyday life, from the humorous to the serious. Tyler companions with people on their spiritual journey, wherever that takes them. He is a fierce advocate for marginalized communities, particularly the LGBTQIA+ community reminding them they are worthy and beloved.

Join us for a night of music, truth telling, ritual and remembrance of loved ones. Directly following worship, faith leaders will offer a glitter blessing in the courtyard for all who wish to shine a bit brighter as we celebrate and honor each and all of us as essential members of Utah Pride.

Reception following hosted by PFLAG SLC: Serving all of Utah.

Given the rising caseloads, masks will be required for this event. Thank you.
